

- Scouts – Mick, Richard, Pauline, Ian and Steve in place.
- Skills – Stuart Leacy in place.
- Team meetings
 - Sept meeting will become a 6-14 all section meeting with each section breaking off into Beaver, Cub & Scout meetings as required. It is planned for 9th Sept – possibly Borehamwood area as both Beaver and Scout sections had planned meetings for that week.
 - Our planned meeting in October will be cancelled – but it was suggested that the date booked at Hobbs Hill Wood School was reserved for those involved in the Night Hike to have an Event Review meeting.
- Blue Sky Day
 - This was a meeting held for the Programme Team members to plan development plans
 - Joint events will be investigated such as Cyclocross, Swim Gala, Football, Born 2 Be etc etc etc
 - Professional and consistent approach for events and communications
 - Recognition of Chief Scout Awards to be investigated.
 - Rikki to look for District Reps to co-ordinate the recording of awards.
 - CSA recognition events – poss day or poss encourage districts to run event. County wish to run a 'day out' with sections having a time slot to get a certificate as other Counties do. Those present agreed with the ACC's (6-14 and 14-25) view that this will not work.
- Event Admin
 - Standardised for all events.
 - Risk Assessment and checking of CRBs/Permits etc MUST be done.
 - All events in 6-14 section to go through Steve to agree processes for registration/budget etc.

Accounts

- Swim Gala Money
 - Money from raffle still missing – Potters Bar left at County Office for us. Nigel (County Treasurer) now investigating.
 - Event made a loss of approx £70 – hopefully the raffle money when received will balance this out.
 - Line Marking Kit has now been purchased with 6-14 funds – it will be available for all 6-14 events.
- Football
 - Event broke even – a decision after the event to give the hosting Scout Group a donation towards the building costs meant we made a loss of approx £50.
- Skills Day Fund
 - County have transferred £5000 for Skills Day administration.
 - Approx £1500 of this has already been spent on 'giveaways' and the April Skills Day.
